WHAT WE DO:

The right fit makes all the difference...

For our clients, your case isn't just business — it's also personal.

Our approach is to develop a plan that makes sense for your objectives and budget.

We will listen to you, understand what you need, and create a legal strategy that optimizes your odds of success.

INTELLECTUAL PROPERTY

Some of the most valuable assets of a business are its intellectual property and technology rights. WLG has substantial experience in protecting the IP and technology assets of its clients, including:

- Trademark Protection
- Trade Secret Protection
- Copyrights
- Licensing
- Social Media

BUSINESS CONSULTING

From start-ups to established and growing businesses, we work with you and your team to develop legal strategies that help you focus on the big picture of your business.

WLG prepares your business for the best of times, manages you through uncertainty, and protects your business if the worst occurs.

- Contracts/Transactions
- Compliance
- Dispute Resolution
- Insurance
- Real Estate
- Products Liability

LITIGATION

Our approach to litigation is to understand your needs, quickly evaluate your case, and then craft a strategy to resolve your matter.

INSURANCE

Whether you are an individual seeking advice on your policy or a carrier needing claims review and analysis, WLG can help in virtually all areas of insurance coverage matters.

CLIENTS

If your matter isn't an issue of expertise here at WLG, don't hesitate to contact us and we can work with you to find the right attorney for you.
